# Fuck ICE (reprise) by Roy Pallou

**GUESS WHAT?** We (all of us together) kicked some ass with the Weekend of Action. Whether you attended a show, played a show, went to a community event, or anything else, you contributed to something really cool and helpful for our neighbors. Let's do more of that moving forward.

A special thanks to Hidden Gem for hosting the first Hot Pallou show (which was absolutely killerrrrrr). We raised over \$1200 for Athens Immigrant Rights Coalition thanks to all y'all who showed up, bought some posters, or just donated!

Keep yer eyes peeled for the next Hot Pallou event and keep fighting the good fight :)
